

Work. Play. Everyday.

Versatile carts for every property, site and lifestyle.

From worksites to weekends and everything in between, our electric carts are designed to make moving people, tools and equipment simple, safe and efficient.

Work.

Utility and tray-back carts for farms, tradies, maintenance crews and large sites.

Play.

Perfect for golf courses, camp grounds, events, holiday parks and lifestyle properties.

Everyday.

Easy transport for retirement villages, lifestyle blocks & short trips around home or business.

Want to see carts in action?

The best way to understand a cart is to drive one. We run Open Demo Days and on-site show & tell sessions. Talk to us about:

- On-site demo days
- Information sessions
- Resident events
- Giveaways and promotions
- Tailored recommendations for your property, site or business.

Contact us.

Contact us via phone or email to register your interest for our open/demo days.

Finance options available.
